Welcome to beautiful South Limburg and especially to the municipality of Beekdaelen. This route offers you views and sunken roads, forests and a vineyard, ribbon villages and a village that used to be an abbey. Words such as 'Hondskerk', 'corn wolf' and 'Wanenberg' emphasize the fairytale atmosphere of the area, even the silver-colored chemical installations on the northern horizon have something magical. During the entire walk you will see how the unique Limburg geology determines both nature and buildings. The route can be followed via the blue (ring) posts and the route description. Parking is available at the church in Puth.
