Sittard-Geleen Watersley NK 2019 MTB-route

Mountain bike route
4.4 km

Start- and endpoint
Parkeerplaats Watersley Sports & Talent Park

Level of difficulty
Heel moeilijk

This mountain bike route is the relatively short, and technically challenging part of the Dutch National Championships (NK) 2019 track. This route includes tough climbs, descents and rock gardens and is therefore only suitable for technically advanced mountain bikers. At the Watersley terrain there is time and space to recover. On the south side of the Watersley site, the route winds up and down the steep slopes of the forest, testing your stamina.
