Rondje Stammenderbos - Geleenbeekdal

Walking route
5.4 km

Start- and endpoint
Natuurtransferium De Biesenhof

Level of difficulty
Moeilijk

This beautiful one of Natuurmonumenten takes you to the Geleenbeek valley. Walk along the Geleenbeek and through the Stammenderbos to Terborgh Castle.
Then climb via a sunken road to the height of the Stammenderveld, 110 meters above NAP. You have then overcome no less than 55 meters in height difference from the Biesenhof.
Via the Stammenderveld you walk through the meadows of Sweikhuizen and you return to the Geleenbeekdal at the Biesenhof.
This route has recently been marked in the terrain with blue route arrows. You start at Natuurtransferium De Biesenhof (Biesenweg 1 in Geleen) and the route is approximately 6.4 kilometers long.
