Walking route
10.6 km

Start- and endpoint
Fort Sanderbout 10 te Sittard

Level of difficulty

Discover the wine range of Sittard-Geleen via this new walking route. The wine growing in Sittard-Geleen is special. For example, right next to the historic center of Sittard, opposite the former bastion of Fort Sanderbout , is the vineyard of the same name, where the roots of the grape vines get their nourishment from the centuries-old shooting fields. The vineyards of the St. Rosa and Notre Reine wine societies are located in Windraak and around the Wanenberg at an altitude of 100 meters above sea level, which provides a beautiful panorama. Follow the grape symbol along the road and hit the road!
