Lange AfstandsWandeling RivierPark Maasvallei

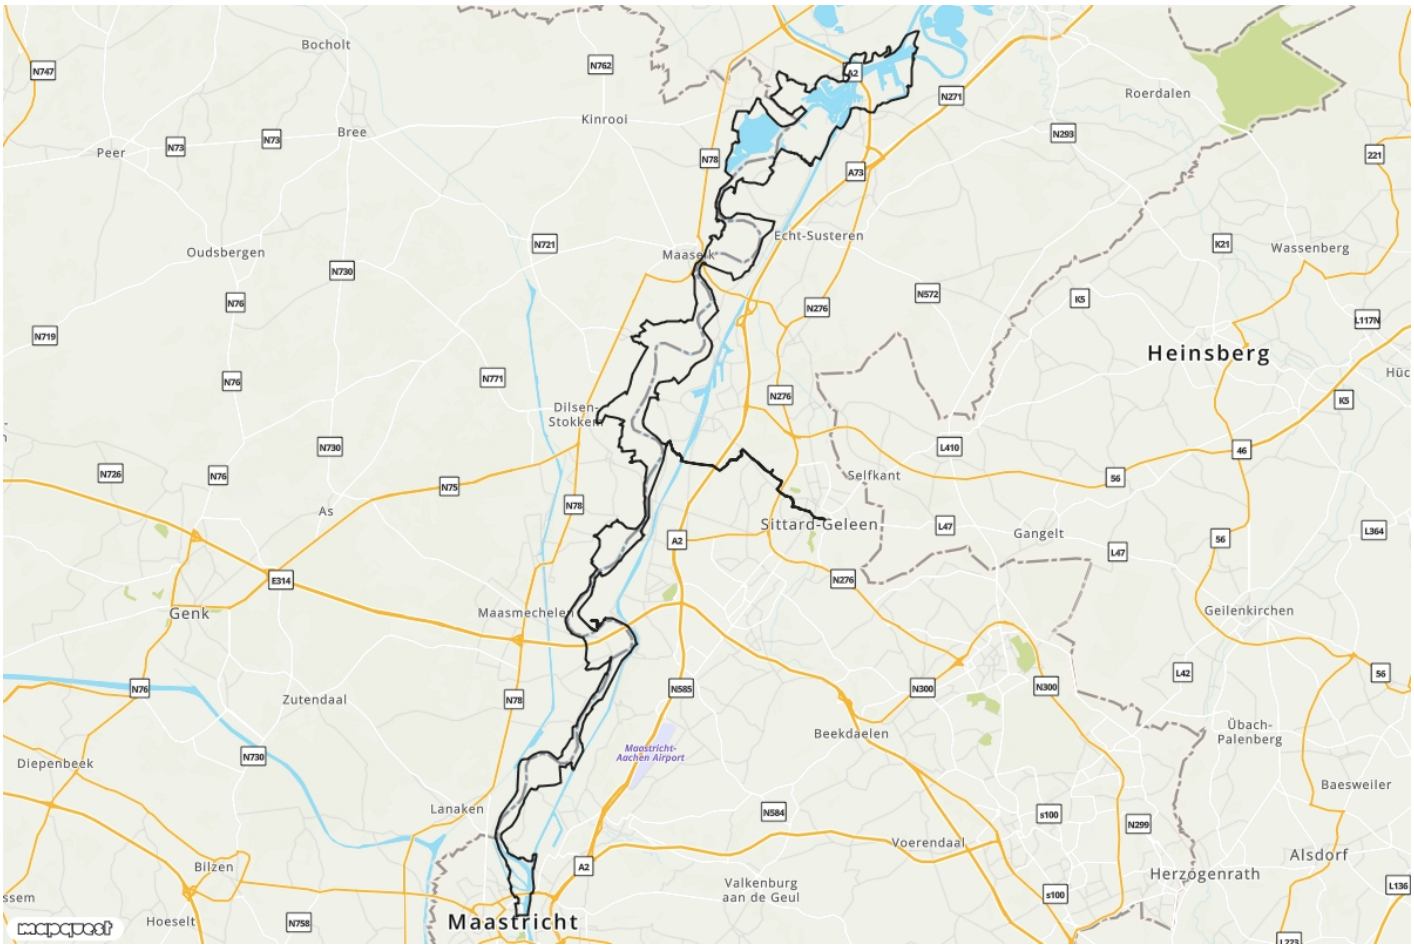

Walking route
160.5 km

Start- and endpoint
Historische markt te Sittard

Level of difficulty
Gemiddeld

This cross-border tour of 137 km connects the 11 Dutch and Belgian Maas municipalities in the RivierPark Maasvallei and takes you past the most beautiful landscapes and charming villages. The walk was chosen in April 2021 as 'Best walking route in the Benelux'. Click here for even more detailed information about the Long Distance Walk through RivierPark Maasvallei such as different starting locations.
Over the centuries, the River Maas has modeled a versatile and fascinating landscape in Limburg. A maze of old stream channels, cut-off meanders, dikes and floodplains and a typical fauna and flora arose.
